

Frequently Asked Questions

1. What is Smart Wallet?

Smart Wallet is your personal goal-setting tool within the National Bonds app. Think of it as a flexible organizer that lets you turn your savings into stepping stones for achieving your dreams!

2. How can I access Smart Wallet?

Smart Wallet is an app-exclusive feature, so simply download the National Bonds mobile app and unlock your goal-chasing journey!

3. What kind of goals can I create?

You can choose from pre-defined goals like saving for a vacation or a new car, or unleash your creativity by crafting your own unique aspirations.

4. Can I adjust my goals after setting them?

Absolutely! Smart Wallet is all about flexibility. You can change amounts, deadlines, or even switch your focus entirely as your dreams evolve.

5. What if I don't have enough Savings Bonds to complete my goals?

No problem! Topping up with new Bond purchases is easy within Smart Wallet (just remember the Savings Bonds T&C). You can also add funds from your savings, cards, or bank accounts any time.

6. Do my existing Savings Bonds get affected when I use Smart Wallet?

Not at all! Your existing Bonds remain safe and sound in their own space, providing a secure foundation for your future endeavors.
